

JOSEPH BROWN.

MARCH 5, 1840.

Laid on the table.

Mr. RANDALL, from the Committee on Invalid Pensions, made the following

REPORT :

*The Committee on Invalid Pensions, to whom was referred the petition of Joseph Brown, report :*

That said Brown asks for arrears of pension now received from the department. Inasmuch as it appears that the petitioner, not ignorant of his rights, received his pension as soon as he chose to apply therefor ; and inasmuch as it does not appear how far he was disabled previous to his application for a pension, they recommend the passage of the following resolution :

*Resolved,* That the claim of the petitioner ought not to be allowed.
